Missouri Bluebird Society Field Trip!

Saturday, July 28, 2012

Join us for a Tour of a very Special Nest Box Trail & Purple Martin colony

(Meet Tour Host, Ivan Ray Miller, at the Missouri
Bluebird Conference in Jefferson City July 13th- 15th)

www.missouribluebird.org

You are invited to Missouri Bluebird Society's 1st mid-season field trip **Saturday, July 28, 2012 at 10:00 am.** We will meet at society member Ivan Ray Miller's residence in Jamesport, MO with the field trip expecting to last around four hours.

Ivan and his family monitor 100 nesting boxes that include bluebird, a purple martin colony, prothonotary warblers, flickers and more! Ivan will lead us on a detailed tour of his extraordinary trails, something you do not want to miss.

All you need to bring are your binoculars, a camera and bird book. Lunch will be provided by the Miller family. Be sure and wear comfortable hiking shoes and let's enjoy this fun day of birding. Also, please refrain from taking photos at the Miller home or of the Miller family out of respect for their way of life.

Please RSVP by July 20, 2012 by calling Steve Smith at **636-629-8267** to reserve your spot.

Steve Smith

MOBS Field Trip Committee Chair
